The screenshot shows the EMAG website interface. At the top, there's a navigation bar with the EMAG logo, a search bar with the text "Ai libertatea să alegi ce vrei", and icons for a shopping cart, a heart, and a user profile. Below the navigation bar, there's a section titled "Alti clienti au vizitat si..." (Other customers who visited also...). This section displays four product cards, each with a discount tag, a product image, a title, a star rating, and a price. The products are: "Masina profesionala de tuns - contur, cu acumulator si cablu" (80% discount, 4.53 stars), "Lichior Tatrarea 72% Outlaw 0.7 l" (5 stars), "2XU, Bustiera pentru fitness Alpine Thermal" (41% discount, 4 stars), and "Under Armour, Pantofi sport de piele ecologica PS" (57% discount, 4.43 stars). Below this, there's a section titled "Recent adaugate la Favorite" (Recently added to Favorites) showing four more product cards. The CSS shows a font-family of "Open Sans, Helvetica, Arial, sans-serif" and a font-size of 14px.

Înainte

This screenshot shows the EMAG website interface after a design change. The layout is similar to the previous one, but the background of the product recommendation sections is now a solid purple color. The "Alti clienti au vizitat si..." section still displays the same four product cards with their respective discounts, images, titles, star ratings, and prices. The "Recent adaugate la Favorite" section also displays the same four product cards. To the right, the browser developer tool is open, showing the HTML and CSS. The HTML shows a body class of "megamenu-always-visible has-minimized-navbar". The CSS shows a font-family of "Open Sans, Helvetica, Arial, sans-serif" and a font-size of 20px.
